TO THE PUBLIC.

IN April, 1840, Charles T. Willard, (a

person having his settlement in the town of Weare) was living in Francesstown, and was taxed by the selectmen of Francesstown on his poll, in the sum of \$1.58, and on the 7th day of January, 1841, said Willard was committed to the gaol in Amherst, by the Collector of Francesstown, for said tax. Willard being poor and unable to pay the gaol fees, the gaoler applied to the selectmen of Amherst, and in five weeks from the time of his commitment, the selectmen of Weare received information of the same. The subscriber being then one of the selectmen of Weare, called on Nathan Dane, one of the selectmen of Francesstown, and requested him to abate Willard's tax, saying to him if he would abate the tax, I would go to Amherst, pay the prison charges, and set Willard at liberty; but this Dane refused to do. He said, however, that the selectmen of F. would meet on the next Saturday, and he would submit the matter to the board, and if they agreed to abate the tax, he would send notice of the same to the gaoler on the next Monday; but no such notice was ever received by the gaoler, and consequently Willard remained in gaol until the 10th of March, when the subject was laid before the citizens of the town of Weare, at the adjournment of the annual meeting; whereupon I was instructed by a vote of the town to liberate Willard from his confinement, and cause a statement of the facts to be published. In obedience to the aforesaid instructions, on the 11th of March I went to Amherst, and received of the gaoler his bill, of which the following is a true copy:

Amherst, March 11, 1841.

The Town of Weare to N. Dane, Dr.

To gaol fees for Charles T. Willard from

January 7, 1841, to March 11, 1841, \$24.53

To officer's fees for committing C. T.

Willard to gaol, 4.86

To the tax assessed on C. T. Wil-

lard in the town of Francesstown,

for the year 1840, 1.58

\$30.97

Received payment by the hand of S. P.

Colby, Esq.,

NATHAN DANE, Gaoler.

Thus the town of Weare was under the necessity of paying \$30.97 to get a pauper out of gaol, of which sum Francesstown gets \$1.58 tax, and the collector gets \$4.86 for committing that pauper to prison.

By direction of the town—

S. P. COLBY, Agent.
